TIM'S WHIMS

Uh! Oof! Get these letters off me! Whoa! Well, hello there and welcome back to the wide world of...uh, I mean the **REN AND STIMPY SHOW SPECIALS**. The thrill of victory, the agony of...hmmm. I've got my channels crossed. In this issue, we've got sports, Vegas (anybody see Elvis), a bus ride your won't believe and the stellar return of your favorite breakfast hero; Powdered Toastman. And he's not alone. The **REN AND STIMPY SPECIALS** have been getting flooded with mail on behalf of "madman" Mike Lackey, my cohort in Ren and Stimpy crime, and myself, thanks! Everyday you guys out there prove that the **REN AND STIMPY** readers are the best out there so keep on writing. Enjoy "Four Swerks."

Tim

Dear People Who Create THE **REN AND STIMPY SHOW SPECIALS**,

You guys have made the best comic book ever! Every time I read "Masters of Time and Space" I get a whole different story! It's wonderful! The cover was great, the story was awesome—I don't know how you could make it better! You can't! Happy, happy, joy, joy! Yes, sir, I like it!

Juhwan Suh

Thanks for the letter and words of appreciated praise, Juhwan. This **SPECIAL** presented a whole new challenge for the creative team as well as for me. But, we're going to try to top it with our sixth **SPECIAL**, "The Interactive Activity Issue."

Dear Quarterly Quotes,

I found mistakes in the **REN AND STIMPY SHOW SPECIAL** "Masters of Time and Space". On page 22 the orange box on the bottom of the page says, "If you want Simpy to puree Ren, go to page 52." It also says, "If you want Stimpy to frappe Ren, go to page 61". And on page 43, it says, "If you want Ren to have the first dance with Stimpy, go to page 68." It also says, "If you want the Zorg to make an ugly scene by the punchbowl, go to page 72". I found that there aren't any pages 52, 61, 68 or 72 and that there are only 48 pages in the book.

Do I get a prize for finding the mistakes in the book? I love Ren and Stimpy comic books. I have most of the comics and I have a Stimpy doll that when you squeeze his stomach, he makes under-leg noises. Happy, happy, joy, joy!

Marco Sousa

Marco, Marco, Marco. Tsk, tsk. You cheated. Pages 22 and 43 should never have been read if you stuck to the instructions. Read on, though, you weren't the only one.

Dear Tim,
You bloated sack of proto-

plasm! You tried to treeck me, you sick leettle monkey! How could you, you eediot?! But don't worry, I only caught on because I love **REN AND STIMPY** and your version of their silly little life adventures sooooo much! See, I made a page "map" of "Masters of Time and Space" so that I could be certain that I didn't get lost in time and space ("time travel is a fickle mistress") or miss a single great page. Anyway, that's when I caught on to your plot because there were two pages that I had not read. Pages 22 and 43. I went through again to make sure I didn't miss anything, but I didn't because those two pages don't really go with the story anyway.

Anyway, I just wanted to bring this up and also let you know that I really dig your comics. (I have all but **THE REN AND STIMPY SHOW SPECIAL #1**.) My vote for another special is for Mr. Horse because he is the coolest.

Good going, Vincent. (By the way, when Dan Slott presented this story to me, he did it on a chart much like yours.) As for the fake pages you caught on as did....

Dear Marvel,

I just finished reading "Masters of Time and Space". Man, I love it! The "interactive issue" theme made the book more enjoyable than the other **SPECIALS** so far. The two fake pages 43 and 22 were funny. I read that you have plans for the next three **SPECIALS**.

Will you ever have a subscription for the SPECIALS? I am looking forward to the fourth SPECIAL "Fours Works". Keep up the wonderful work!

The fake pages were specifically put in the book to weed out the people who would jump around and not follow the instruction. No plans for subscriptions. Sorry.

Dear Tim Tuohy,

In the next comic I think you should clone Powdered Toastman and the clone is evil and he tries to do away with Ren and Stimpy.

In the puzzle below, find:

Well, we had some fun with Powdered Toastman this time around, but wait until his next all Powdered Toastman Special. And thanks for the puzzle.

Dear Ren and Stimpy,

The REN AND STIMPY SHOW SPECIAL, "Masters of Time and Space" was really great! I loved getting confused trying to go through the entire comic book. Great job!

I love watching Ren and Stimpy on TV and have four of the home videos that get a bunch of use. I have every comic book and most of the specials. I won't bother to ask for free copies because of the public service announcement in the last special. I will just have to keep looking 'til I find them. I just

picked up issue #23 and I really liked seeing the Lug brothers grapple with Ren and Stimpy.

The Royal Canadian Kilted Yaksmen kick butt and should be in more of the comics. Especially singing the Kilted Yaksmen anthem. This is for the survey on the back page of the last special.

Responses to my request for ideas for upcoming specials was surprisingly light, so we'll try it once more. On a 3'x5' postcard name the Ren and Stimpy show character you'd like to see have his own special. Right now it's 11 votes for the Yaksmen, 1 for Mr. Horse and 1 for Billy the Beef Tallow Boy.
